

## Wish List

It is our wish that we had enough financial assistance funds so that Every Girl Everywhere had the opportunity to experience Girl Scouting. We wish we had state-of-art equipment and facilities at our camps and we wish we had enough trained leaders to place all girls on waiting lists into a troop.

You can help fulfill our wishes. There are many ways to support the growth and development of girls through Girl Scouting. Here is a partial listing of ways you can be helpful.

Please feel free to contact Tonya S. Howard at 800-239-6636, ext. 2802, or [thoward@girlscoutssa.org](mailto:thoward@girlscoutssa.org) for additional information.
