

Additional/Tagalong Insurance

Tagalongs include girls younger than Girl Scout age and boys under the age of twelve. They may go camping if the parent is a registered troop adult and is present at the event. Tagalongs must be supervised by the parent or another adult at all times. Any male Tagalong must have a sleeping facility separate from the girls and they may not exceed the age limit of twelve. Tagalongs also include any age Girl Scout for whom the event is not planned and is not a worker/helper. Girl Scouts of Southern Alabama strongly discourages male Tagalongs at any Girl Scout activity due to the disruption it causes in the 'girl only' environment which is a key aspect of Girl Scouting.

Additional Insurance **MUST** be purchased for each Tagalong attending any Girl Scout activity. Please complete and submit the following form along with a check for associated fee. There is a minimum of \$5 for each occasion you purchase this insurance. Additional/Tagalong Insurance Form and fees must be submitted one week prior to the insured activity.
