# Honor Troop

---

The Honor Troop program provides leaders with a tool to offer a quality troop program, which will aid in retention of Girl Scouts in troops. Discuss with the girls and adults in your troop the requirements to be an Honor Troop. Set troop goals using the Honor Troop program requirements and make a schedule for completing those goals. Keep in mind the following timeline:

- Turn in completed honor troop requirement packet to your Service Area Manager first and then to GSSA membership staff for endorsement April 1 through June 15.
- Upon notification from council staff that your troop is an Honor Troop, patches/strips may be purchased from the Program Director.
- Your troop is a Girl Scouts of Southern Alabama Honor Troop for one year.

All registered troops of Girl Scouts of Southern Alabama, Inc. are eligible to participate in the program. Girls may wear the patches/strips on the back of their uniform. Leaders may wear patches/strips on patch jackets, hats, tote bags, etc., but not on the adult uniform. Honor Troops may purchase the Honor Troop patch/strip for each girl and adult registered in the troop. The Honor Troop program is an on-going program, beginning each membership year in September.
