

Did you know that  
**Girl Scouts of Southern Alabama**  
 is supported by eight United Ways,  
 the Alabama State Combined Campaign  
 and the Combined Federal Campaign?

Eight local United Ways throughout our Council have already kicked off their campaigns. Please support the United Way campaign by a making a gift to your local United Way community fund which benefits Girl Scouts and other community organizations.

The State Combined Campaign also kicked off its campaign last month. This campaign permits state employees to give monetary support to charities recognized by the IRS under 26U.S.C.501(c)(3).

Additionally, the annual fundraising drive of the Combined Federal Campaign is also underway. Federal civilian, postal, and military employees have an opportunity to participate in the CFC - the world's largest and most successful annual workplace charity campaign! If you are a federal employee, please consider directing your CFC contribution to the Girl Scouts of Southern AL.

If you or a family member participates in a United Way Campaign or other combined campaign, please designate your gift to Girl Scouts of Southern Alabama. Simply write in the council's identification number in the appropriate box on your form.

There should be a listing of all the participating agencies and their ID numbers with your paperwork or if there is no ID number, please write in:

**Girl Scouts of Southern Alabama**  
**145 Coliseum Blvd.**  
**Montgomery, AL 36109**

Thanks for supporting Girl Scouting through your local United Way!
