Covid-19 Release & Hold Harmless Agreement

The current world-wide Coronavirus (COVID-19) pandemic and government mandated "shelter in place/stay at home" or similar orders in many communities underscore the risks associated with individuals meeting together for community events. It also emphasizes the risks to Girl Scouts and their leaders by allowing Girl Scouts to meet for joint activities. The undersigned understands that exposure to disease-causing organisms, such as COVID-19, and contaminated objects, as well as personal contact with interested parties, including, but not limited to other Girl Scouts, troop leaders, community volunteers, and others involve a certain degree of risk that could result in illness, permanent disability, or be fatal. I agree, to release and hold-harmless Girl Scouts of Southern Alabama and it's agents, representatives and volunteers from and against all claims for damages and liability resulting from exposure to disease-causing or organisms, such as COVID-19, and contaminated objects, as well as personal contact associated with participating in activities with the Girl Scouts.

Hold Harmless Agreement

I hereby release and hold harmless Girl Scouts of Southern Alabama from any and all claims or liability arising from, out of or associated with my child's participation in any troop or council sanctioned activity. My signature is evidence of my release of council, its agents and employees.
