## CORPORATE GIFT OF CARING

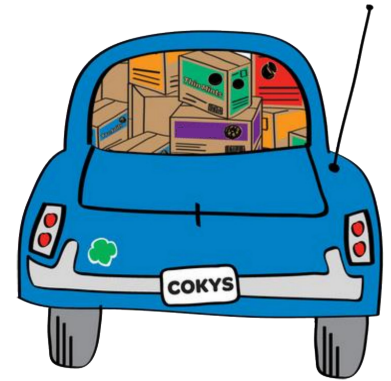

Through your corporate sponsorship, you can support Girl Scouts of Southern Alabama's Hometown Heroes. This is a great way to donate cookies to active military personnel, local first responders, and other non-profit organizations who are making a difference every day.

After the cost of cookies, 100% of the proceeds stay in our community to help support the Girl Scout Leadership Experience. In 2019, more than 6,100 packages were donated to Hometown Heroes.
