# Virtual Spring Camp

**APRIL 20-23**

*Hello Campers!*

We hope you find that these activities are interesting, challenging, and will be something to talk about with your friends or family. We're going to try cool experiments, check out the great outdoors, and use our resources wisely.

Virtual Spring Camp goes a little like this: Each day campers will participate in various "camp" activities designed to earn badges and keep them active during the extended school break. We will post camp activities on our social media that the girls can do at home using supplies that may be readily available to them. We encourage you to share your virtual spring camp experience and activities on social media with the hashtag #gsoutdoors. At the end of camp, girls will be eligible to order a Virtual Spring Camp patch. All activities can be scaled up or down to accommodate younger and older girls.

Who's ready? Let's do this!

# Virtual Spring Camp

## DAY 1

### ROLL CALL

Let us know you will be participating today! You can comment or send in a picture of your Girl Scout ready for her camp day. It will be exciting to know who your fellow campers are but not required to participate.

### SCIENCE LAB -MAKE YOUR OWN OOBLECK

Instructions for making Oobleck can be found [here](#). Read Bartholomew and the Oobleck by Dr. Suess or watch the video of it being read [here](#). Bartholomew and the Oobleck is an AR book with a 3.2 grade level and is worth .5 points

### NATURE CENTER

Create a leaf rubbing (Daisy-Outdoor Art Maker) (Brownie-Outdoor Art Creator). Examples can be found [here](#).

### BOATING

Create an aluminum foil boat and make it float in the sink or bathtub. How many pennies can you stack in your aluminum boat before it sinks. Examples and instructions can be found [here](#).

### ARCHERY

Outside your house and away from people, use a pie tin or a piece of paper as your target. Use a pea and a rubber band as bow and a pea as your arrow. Attempt to hit your target. (Junior-Archery)
